

## LEGEND AND SUMMARY OF LIME, PURPLE, AND WHITE OR RED RETURN DAY RIDER TRAILS

### LIME, PURPLE, AND WHITE RETURN TRAIL (7.6 Mi.)

From the outdoor riding arena, the trail starts downstream on River Road on the Lime Trail (**White Arrow on Lime Diamond**), passes the Day Trailer Parking area in ½ mile, goes through a large field, crosses a wooden bridge, and veers left to go between the lagoon and the river. On calm days, admire the beautiful view of the Biltmore House with a reflection in the lagoon. This is a congested area. Walk or trot only. Continue along the river, go carefully along the paved road past a “Big Rock,” a large overhanging rock, continue along a bike path, cross an iron rail bridge, and continue 0.6 Mi. on a gravel road to a concrete bridge across the French Broad River (not accessible for horses except for special West Range events).

Turn around and start back on the Purple Trail (**White Arrow on Purple Diamond**) on the gravel road along the river. In 0.5 miles, turn left, cross through the field, cross the paved Winery Approach Road, ride parallel to the paved Deer Park Road, and then turn left uphill on a gravel road for ¼ mile. At T, turn right and then turn right again to go through the woods, cross the paved Deer Park Road, and follow the trail through pine trees to a sign below the carriage barn that says “White River to Day Trailer Parking, 2 miles”. Bear right and follow the White River Trail (**Black Arrow on White Diamond**) and proceed past the carriage barn and then downhill to the lagoon. Cross the road at the lagoon, turn left, cross the wooden bridge, go through fields, along a gravel road, and then a dirt trail, pass behind the Day Trailer Parking area, and return to the outdoor riding arena.
